

# EURO 2008

In Group 'B', tournament favourite Germany and Croatia are likely to go through to the next stage but don't count out debutant Poland which can spring a surprise or two.

## GROUP B

### Austria

### Croatia

### Germany

### Poland

## MATCH-WINNERS

### Andreas Ivanschitz

Also known as "Austrian Beckham". A creative left-footer with fine technique, he has been a regular for his country since 2003.

### Luka Modric

A star attraction in the Croatian league for the past three years. His biggest strength is his swift offensive positioning without the ball.

### Michael Ballack

A talismanic midfield figure. Known for his strength and precision passing, he is also blessed with a powerful header.

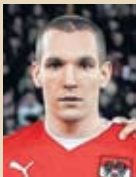

### Maciej Zurawski

Celtic fans call him "Magic" Zurawski. He is the most experienced forward in the team and remains a key asset.
